FOIA REQUEST
Expedited processing requested

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of all documents, data, lab results, communications involving Petag products. I also request all documents, data, lab results, communications involving the September investigation into all Petag's newborn animal formulas.

I would like to receive the information in electronic format.

I agree to pay reasonable duplication fees for the processing of this request.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

Please provide expedited processing because delayed disclosure could threaten physical safety because This product is still being sold and used for newborn animal infants. Babies are still getting sick and dying.

I certify that these statements regarding expedited processing are true and correct to the best of my knowledge and belief.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,

Mary Cummins
